LETTER ACCOMPANYING RENEWED PETITION TO REVIVE WITH ISSUE FEE

Commissioner for Patents:

The issue fee transmittal in the above-identified application was faxed to the U.S. Patent and Trademark Office on March 20, 2009, accompanying a Renewed Petition to Revive (copy attached). Our records show that the Patent Office withdrew the \$1816 issue fee payment from our deposit account on March 23, 2009. As mentioned in the attached Renewed Petition to Revive, the petition fee was already paid on December 11, 2008 in conjunction with a Request for Consideration of Previously Submitted Petition. Since both the issue fee and the petition fee for the petition to revive have already been paid, there are no remaining fees due.

Being filed herewith is a new issue fee transmittal that properly lists ST Ericsson as the assignee of the application. The previous issue fee transmittal listed NXP as the assignee because NXP was the previous assignee of record. An assignment from NXP to ST Wireless and

proof of a name change from ST Wireless to ST Ericsson were recorded today, so ST Ericsson is now the assignee of record.

If there are any questions or issues to be resolved, Applicants respectfully request that you contact the undersigned attorney by telephone at 206-622-4900.

Respectfully submitted,

SEED Intellectual Property Law Group PLLC
